

**INTERNATIONAL DIRECTORY OF  
Southeast Asia Librarians**

*Compiled & updated by Virginia Jing-yi Shih*

*University of California, Berkeley*

*September 2016*

## PREFACE

This *International Directory of Southeast Asia Librarians* supersedes the *International Directory of Southeast Asia Librarians & Catalogers* that I compiled in 1999. It is produced on behalf of the Committee on Research Materials on Southeast Asia (CORMOSEA) which is a committee of the Southeast Asia Council (SEAC) of the Association for Asian Studies. This directory lists the individuals who work with the Southeast Asia collections in various capacities at institutions in Australia, Brunei, Cambodia, Canada, China, Denmark, France, Germany, Indonesia, Japan, Lao PDR, Malaysia, Myanmar, the Netherlands, Singapore, Taiwan, Thailand, United Kingdom, the United States of America, and Vietnam. Individual entries are arranged in alphabetical order by institutions in the mentioned countries. It is my hope that this directory will serve as a useful reference guide to facilitate professional communications and promote international cooperation of Southeast Asia scholarship and librarianship in the future.

Each entry includes the following information as submitted to the compiler:

- 1) Full name
- 2) Job title
- 3) Institution address
- 4) Telephone number
- 5) Fax number
- 6) Electronic mail address
- 7) Home page (if available)
- 8) Language expertise (optional)

I would like to thank all individuals who submitted their entries to make this directory possible.

Special thanks are due to Alison Wannamaker, Publications and Production Specialist at the Library Graphics Office, University of California, Berkeley for the cover page design.

Last but not least, I accept the full responsibility for any omissions or errors in this directory.

***Virginia Jing-yi Shih***

Chair of Southeast Asia Materials Project
